Notice

After you have submitted your speech, you will receive an email confirmation of your entry within 24 hours. The judges will be reviewing the videos and will be notifying the winners by email on or before October 1, 2019.

Remember that the winner will be asked to deliver their winning speech again (this time live and in person) at the *Young Patriot Challenge* reception to be held October 23, 2019.

In order to be eligible for the prize, you must deliver the same speech that is on the video, so make sure you have written notes to study.

This entry form must be e-mailed to 44macman@att.net upon the entry of the Speech into You Tube.
